Warszawa, 29 maja 2014

Dot.: LETTER OF RECCOMENDATION

Hereby we confirm that EXALO Drilling S.A. having its registered office in Piła, 9 Staszica sq., in the years 2011-2013 executed the following wells:

1. Lubocino-2H
2. Kramarzówka-1K (*horizontal*)

All the required tasks were performed in a professional manner in full compliance with contract terms and conditions, and to our full satisfaction. The technical expertise, experience, equipment used, and application of both drilling and safety worldwide advanced standards and practices met all of our expectations.

We are also satisfied with performance of EXALO crews presenting high degree of professional skills, motivation and innovative approach.

Kind Regards

Z-ca DYREKTORA
ds. Robót Geologicznych

Jacek Adamiak
